Interstate Certification

If you are currently DBE certified in your home state (State A) and want to participate in the DBE program in Texas (State B), you must submit the following as per 49 CFR Part 26.85(c):

- (1)** You must provide State B a complete copy of the application form, all supporting documents, and any other information you have submitted to State A **in its entirety**.
- (2)** You must also provide State B any notices or correspondence from states other than your home state relating to your status as an applicant or certified DBE in those states. For example, if you have been denied certification or decertified in State C, or subject to a decertification action there, you must inform State B of this fact and provide all documentation concerning this action to State B.
- (3)** If you have filed a certification appeal with DOT (**see § 26.89**), you must inform State B of the fact and provide your letter of appeal and DOT's response to State B.

Interstate Certification

(4) You must submit an affidavit sworn to by the firm's owners before a person who is authorized by State law to administer oaths or an unsworn declaration executed under penalty of perjury of the laws of the United States.

(i) This affidavit must affirm that you have submitted all the information required by 49 CFR 26.85(c) and the information is complete and, in the case of the information required by § 26.85(c)(1), is an identical copy of the information submitted to State A.

(ii) If the on-site report from State A supporting your certification in State A is more than three years old, as of the date of your application to State B, State B may require that your affidavit also affirm that the facts in the on-site report remain true and correct.
